## NOTICE TO UNAFFILIATED VOTERS

You are receiving this notice because you have been identified as an unaffiliated voter, meaning a voter who is not affiliated with any political party, who has requested a mail-in ballot or is listed as receiving mail-in ballots for all future elections. **Pursuant to N.J.S.A. 19:23-45, an unaffiliated voter shall not receive a mail-in ballot for a Primary Election unless that voter declares a political party affiliation.** To vote in the Primary Election of the Democratic or Republican Party by mail-in ballot, you must be affiliated with either the Democratic or Republican party and not remain an unaffiliated voter.

**To receive a mail-in ballot for the 2023 Primary Election, please declare your affiliation with either the Democratic or Republican party by completing, signing and returning the enclosed political party affiliation declaration form found on the other side of this letter to the Board of Elections County Commissioner of Registration or your Municipal Clerk.** The political party affiliation declaration form must be completed and returned by April 12, 2023 to receive a mail-in ballot for the Primary Election. **If you do not declare a party by April 12, 2023, you will not receive a mail-in ballot and will remain unaffiliated.**

Finally, please be advised that an unaffiliated voter may still vote in a Primary Election by voting in-person during the Early Voting period or on Election Day for either the Democratic or Republican party. After an unaffiliated voter casts a vote in-person in the Democratic or Republican party Primary Election, the voter will be affiliated with that political party going forward.
