**Committee reports:**

**Archives: James Woodruff, Chair**

Discussion continues about security conditions at the Morris View facility. The general sense of the Commission is to bring archives back to 300 Mendham Road, prioritizing the oldest and most valuable.

**Grants/Re-grants: Virginia Vogt, Chair**

Ms. Shultz has prepared requisitions for disbursement of the first grant payments. The grant interim report was sent to the New Jersey Historical Commission.

**Exhibits/Programs: Jim Woodruff, Chair**

To support current interest in one-room schoolhouses, Commissioner Vogt suggested that the spring program might feature an expert on these iconic buildings.

**Long-Range Plan: Virginia Vogt, Chair**

The new long-range plan is in effect. Commissioner Vogt will briefly report on First Year progress at the March meeting.

**Personnel: Henry Kafel**

Commissioner Kafel has conducted Archivist/Acting Director Shultz's annual review.

**Publications: Virginia Vogt and Esey Farrell, Co-chairs**

Ms. Shultz will be readying articles for the next newsletter during February. Members of the publications committee, Chairman Fast, and Acting Director Shultz will meet with author David Mitros and Mr. Herman Baron of Diane Publishing to discuss Heritage publications in early March. Publications committee members who do not own a copy of the Chicago style manual should purchase same, and they will be reimbursed.

**Markers: Dan Beards, Chair**

Ms. Shultz reported that the Hibernia Church marker has been installed. The Museum of Early Trades and Crafts marker will follow after formal municipal approval. Commissioner Beards submitted an analysis of the Bethel African Methodist Church of Morristown's request for a MCHC historical marker to recognize the religious and cultural leadership of their institution since 1834. The present church is on the same site as the 1874 structure, which was razed in 1968, but the replacement church, built in 1970, is not old enough to be deemed historic. (The original site of the 1849 church is now a service station on the other side of Spring Street.) Commission members would like to see the Morristown AME Church, an important icon of African-American history in Morris County, afforded the recognition it deserves. Commissioner Beards will convey various Commission ideas to achieve this aim, including applying for MCHC re-grant funds to create an interpretive panel and investigating various municipal, county and state government proclamations.

**Communications: Secretary Vogt**

Several Section 106 notifications were received in addition to various newsletters and announcements.

**Old Business:** Freeholder Nordstrom's position has been challenged once again and the way forward is complex, with the county Democratic Party contending a win for their candidate and the Republican Party poised to appoint a replacement freeholder.

**New Business:** None

**Adjournment:** The meeting was adjourned at 11:48 a.m.

Respectfully submitted,  
Virginia Vogt, Secretary

The next Commission meeting will be held on Tuesday, March 13, at 9:30 a.m.  
Please inform Ms. Shultz if you are unable to attend.
