and Council Members

What does it mean to be appointed an Advisory Board/Council Member?

- You have been appointed by the Morris County Board of County Commissioners based on an interest and/or area of expertise
- You have the ability to interact with a group of dedicated individuals
- You can learn about issues related to your specific Advisory Board or Committee
- You represent the County of Morris

I agree to the participate in the following ways....

- Regular attendance at Advisory Board/Council meetings. This is important because quorums are needed for certain tasks
- Participation in subcommittees
 - The information must be brought to the attention of the full Advisory Board/Council and critical information must be discussed and/or approved, as needed
- Occasional attendance at special functions and/or meetings related to your Advisory Board/Council such as needs assessments, planning initiatives, etc.
- Report on other meetings you attend
- Disseminate critical information to the public as directed by Human Services staff

Role of an Advisory Board/Committee member (examples)

- Provide assistance, advise, and bring a level of lived experience and/or expertise to the Department of Human Services
- Review and discuss funding recommendations for Federal, State, and Local funding streams
- Bring topics related to your area of concentration to the full advisory meeting for discussion
- Provide letters of advocacy as needed
- Assist in developing priorities which will be used in the funding review process
- Collaborate across Advisory Board/Committees to discuss cross-system challenges

Human Services Advisory Boards/Committees
