

Invitation to Apply for a Fiscal Year 2023 Morris County Community Development Block Grant as funded by the US Department of Housing and Urban Development

You are invited to submit an application to the County of Morris for Community Development Block Grant (CDBG) funding. The applications are due by **February 21, 2023, at 4:00 PM** to the Morris County Office of Community Development. Due to concerns over COVID-19, there is no access to the building. A drop box is located at 1 Medical Drive, Suite 100, Morris Plains (please advise if using this option) or the application may be mailed to Office of Community Development, County of Morris, POB 900, Morristown, NJ 07963-0900 to be eligible for funding consideration. There is a **RECOMMENDED** Orientation meetings and Public Hearing, which will be conducted via Webex on January 17, 2023 will be held at 10:00 AM and 2:00 PM for all applicants. There can be no exceptions to the deadline for submission of the application.

The County anticipates receiving approximately **\$1.9 million** from the Fiscal Year 2023 US Department of Housing and Urban Development (HUD) for the CDBG Program, **\$960,000** for the HOME Program and **\$166,000** for the ESG Program. No more than 15% of the CDBG funds may be used for public service activities.

The CDRS Committee has recommended that the funding limits for Facilities Improvements remain at \$125,000 and Housing remain at \$150,000 and Services remain at \$50,000.

In making decisions for funding this year, Morris County will consider factors such as the eligibility and national objective to assist low- and moderate-income individuals for each project, whether the project provides substantial community benefits and the **readiness for implementation of the project**. Matching funds are not required for CDBG but HOME requires a 25% match and ESG requires a 100% match. Only one application for each funding source (CDBG, HOME and ESG) per applicant is allowed.

Enclosed is an application and general list of eligible activities. If you have any questions about eligibility for your activity, please contact Jasmine Tirado at 973-285-6060. Please note that the application requires an approval by the governing body (municipal or non-profit) and must be signed by the Mayor or an authorized representative of the non-profit applicant. A certification is not required for "County-wide" non-profit service applications.

All applicants must present their projects to the CDRS Committee on March 21 to March 23, 2023 and will be notified of the date and time for your application(s). Please note that depending on the number of applications submitted, the presentations may occur only one day. Meetings may be virtual. A second public hearing will occur date and time will be posted on the Daily Record and on the Morris County Website and may be virtual.

During the orientation meeting, information will be presented on the program basics. This will help you select an eligible project and prepare your application. CDBG projects must serve lower income residents. Municipal maps depicting the low-moderate income areas in each of the participating municipalities is provided on the Morris County Human Services, Office of Community Development website: (www.morriscountynj.gov/Departments/Community-Development). NOTE: Service area is not the same as location. You must consider who benefits from the project. Further, if new low-mod income information is released before projects are awarded which makes a project no longer eligible, communities will have the opportunity to revise their request.

Please note that Federal wage rates (Davis-Bacon Act) apply to all construction or renovation projects under this program. Renovation or construction of buildings used for the general conduct of government, (borough halls or township buildings or garages), **except for handicap accessibility** in compliance with ADA requirements, is **NOT** an eligible activity.

The application must include a complete project description, with a current cost estimate prepared by an individual knowledgeable in the preparation of such estimates, using federal construction requirements, including, but not limited to, Federal wage rates.

Please note that USHUD now requires that all entities receiving funding provide their DUNS/EIN number and are registered in the SAM.gov system to ensure that you can receive federal funding. Your DUNS/UEI number is requested on the application. You should provide proof of SAM.gov registration, i.e., CAGE number with your application.

Non-profit applicants must also provide a copy of their Business Registration Certificate (BRC) and an executed W-9 form.

Morris County takes fair housing responsibilities very seriously. All participating municipalities must adopt the attached draft municipal resolution that reinforces your municipality's commitment to federal and state fair housing regulations and post the Fair Housing Notice (note attached) on your website.

Thank you for considering the submission of an application to the Morris County Community Development Block Grant Program. We look forward to working with you to ensure a successful year of grant applications. Please do not hesitate to contact our office with any questions concerning the enclosed grant application.

Sincerely,

Jasmine Tirado,

INSTRUCTIONS FOR THE MORRIS COUNTY COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) APPLICATION

1.	Prepare your FY 2023 CDBG application in a clear, comprehensive, and concise manner. All applications must be submitted with original signatures, single sided copies and provide a complete electronic version of your application.

4.	All applicants must provide an <u>area map</u> noting the location of the project. Use Map from the Office of Community Development website (www.morriscountynj.gov/Departments/Community-Development/CDBG-Maps) Please provide enough detail to describe your service area. Note street names and other landmarks for ease of identification.
5.	Please provide a photograph of the project site and surrounding buildings. (Photographs in an electronic/digital format are required along with print versions). If the building is historic, all work must be done in compliance with the US Secretary of the Interior's Standards. Please note if the project is located in an historic area.
6.	<u>Project leveraging</u> is not required but is suggested. Please complete the <u>Budget Narrative Attachment</u> , using actual or prospective funding. A written agreement means you have funding approval. Without a written agreement, funding is considered tentative or prospective.
7.	Use the budget page from the application or an equivalent form. Please be advised that Morris County CDBG Program funds WILL NOT pay for the following: <ul style="list-style-type: none"> • Indirect costs - however, per 2 CFR Part 200.414 up to 10% of the grant may be used for indirect costs such as Overhead – office space, utilities, telephone, etc. and supervisory persons who do not keep a specific time sheet for the CDBG activity. • Food – Unless essential to the client services such as nutrition and food preparation classes or a food bank, no food or entertainment may be purchased with CDBG funds. • For public service activities – Facility maintenance or repair is not eligible. Apply for public improvement funds if your building is in need of rehabilitation. • Work that is contracted for prior to the execution of the agreement with the County or that has not been competitively procured cannot be paid with CDBG funds. We will provide the required federal bid documents to add to your bid package.

8.	Morris County will only pay for Engineering or Architectural work if such services were competitively procured using an acceptable form of RFP per CDBG requirements. Since most projects cost more than the CDBG funds allocated, we expect that CDBG funds will be used to pay for the project costs and the municipality, or the non-profit will pay for the architectural or engineering cost (unless included in budget with application).
9.	Please ensure that your application has been signed by the appropriate municipal or agency official. Approval by your Governing Body is required for submission of the application. Applications must be discussed at a public meeting and submit an agenda showing the action. Please provide a copy of the resolution. A sample is included for your use.

EXHIBIT “B” - National Objective Qualifiers

In order to be considered as benefiting a low or moderate-income person, an activity must fall into one of the categories below.

Area Benefit: Morris County is an “exception level” community. Census areas with 24.11% low- moderate income or above qualify for funding. However, smaller areas may qualify based on an income survey. When surveys are needed, at least 51% of the residents within the targeted activity area must be low-moderate income persons. The activity may also be available to all persons in the area regardless of income.

Limited Clientele: To qualify under this subcategory, a limited clientele activity must fulfill one of the following tests.

- Clientele must be one of the following groups:
 - Abused children
 - Elderly persons
 - Battered spouses
 - Homeless persons
 - Adults meeting the US Census Bureau's definition of severely disabled persons
 - Illiterate adult
 - Person living with AIDS
 - Migrant farm workers, or
- At least 51% of the clientele must be low-moderate income persons; or
- The activity must be of such a nature and in such a location that it may reasonably be concluded that the clientele will be low-moderate income persons; or
- The activity must serve to remove material or architectural barriers to the mobility or accessibility of elderly persons or of severely disabled adults; or
- The activity must take the form of micro enterprise assistance carried out in accordance with 24 CFR 570.201 (o); or
- The activity must provide job training and placement and/or other employment support services, including, but limited to peer support programs, counseling, childcare and other similar services, in which the percentage of low-moderate income persons assisted is less than 51%. This situation qualifies under the limited clientele objective only in the following circumstance:

“In such cases where such training or provision of supportive services assist business (es), and the only use of CDBG assistance received by the business is to provide the job training and/or supportive services; and the proportion of the total cost of the services borne by CDBG funds is no greater than the proportion of the number of persons benefiting from the services who are low-or moderate income”.

Housing – The activity must result in housing that will be occupied by low-moderate income persons upon completion. The housing can be either owner- or renter occupied and can be either one family or multi-unit structures. Rental housing must be occupied at affordable rents.

Jobs – “Special economic development” activities may meet the low-moderate Income Benefit national objective only in the following three ways:

- Be located in a predominately low-moderate neighborhood and serve the low-moderate income residents (e.g., a grocery store serving a low-moderate income neighborhood qualifies as area benefit); or
- Involve the employment of persons, the majority of who are low-moderate income persons (e.g., a retail clothing store which creates or maintains jobs principally for low-moderate income persons).

EXHIBIT "D" - RECORDKEEPING RESPONSIBILITIES

Successful applicants will be required to sign a contract with the County, which will state all the requirements to be placed on the applicant. In general, the following will apply to all applicants:

1. Written records to justify all expenditures must be maintained for a period not less than three (3) years after the full amount of the grant is expended. Your records will be subject to review by Morris County and US HUD.
2. You will be required to maintain the County's minimum insurance standards, to be evidenced by a copy of the policy provided to Morris County within 10 days of execution of the contract.
3. You must comply with 2 CFR Part 200.302 and agrees to adhere to the accounting principles and procedures required therein, utilize adequate internal controls, and maintain necessary source documentation for all costs incurred. You must comply with 2 CFR Part 200.203 and maintain effective internal controls over the funds awarded herein. You must administer the program in conformance with 2 CFR Part 200, Subpart E, "Cost Principles." These principles shall be applied for all costs incurred whether charged on a direct or indirect basis.
4. In accordance with 2 CFR Part 200, the federal government requires that organizations expending \$750,000 or more in federal financial assistance in a fiscal year must secure an audit. Agencies spending \$750,000 or more must choose one of the following ways of meeting this requirement and state which method they choose:
 - a. If your agency already conducts audits of all its funding sources including CDBG, the agency must submit a copy of its most recent audit, and may, at its discretion, include the CDBG portion of the audit cost in its CDBG project budget.
 - b. If your agency already conducts audits of its other funding sources but has neither received nor included CDBG in the past, the scope of the audit would be modified to incorporate CDBG audit requirements. The associated cost of the augmentation could then be included in the CDBG project budget, accompanied by the auditor's written cost estimate.
5. You will be required to provide annual reports stating the total number of persons served, including their ethnic origin, and whether they are female heads of household. These figures are required to be reported by US HUD.
6. You will be required to obtain written proof of income of each person or household which you assist, unless your clients are abused children, battered spouses, elderly persons, handicapped persons, homeless persons, illiterate persons, or migrant farm workers.
7. You must have a written policy designed to ensure your facilities are free from the illegal use, possession, or distribution of drugs or alcohol.
8. If any income is derived from the activities funded by CDBG, that **income must be returned to Morris County as program income**.
9. In the event that US HUD should determine that CDBG funds were improperly spent, and that money should be reimbursed to the U.S. Treasury, your organization will be responsible for this reimbursement.

Additionally, New Jersey’s Law Against Discrimination prohibits discrimination on the basis of marital/ domestic partnership/ civil union status, gender expression/ identity, military service, sexual orientation, familial status and source or lawful income/ rent payment.

Morris County complies with the federal Fair Housing Act and the Law Against Discrimination. The County is committed to promoting fair housing choice for all persons.

Fair Housing FAQ

What kind of housing is covered by the Fair Housing Act?

Most housing is covered by the Fair Housing Act. In some circumstances, the Act exempts owner-occupied buildings with no more than four units, single family housing sold or rented without the use of a broker, and housing operated by organizations and private clubs that limit occupancy to members.

What are some examples of housing discrimination?

- Refusing to rent or sell housing
- Falsely denying that housing is available for inspection, sale, or rental
- Setting different terms, conditions, or privileges for the sale or rental of a dwelling
- Refusing to let disabled persons make reasonable and necessary modifications to a dwelling or common use area, at the disabled person’s expense
- Refuse to provide information regarding loans
- Refusing to rent to a person who has a service animal because of a “no pets” rule
- Steering persons with one or more children and/or persons who are pregnant away from a housing unit. Even asking how many children a person has can be viewed as discriminatory and so should not be asked.
- Not offering to show a person who is in a wheelchair an apartment that is not on the ground floor if the person did not ask to only see ground floor apartments
- Advertising or making any statement indicating a limitation or preference based on race, color, religion, sex, disability, familial status, or national origin. This prohibition against discriminatory advertising applies to single family and owner-occupied housing that is otherwise exempt from the Fair Housing Act.
