Objective Scoring Criteria: Population Served					
Goal	Performance Standard	Evaluation Method	Max Points	Data	Points Earned
Serves priority population	Priority Population Served - Target population for dedicated beds and services	80% or more dedicated to chronically homeless	10		
		80% or more dedicated to veterans	10		
		80% or more dedicated to families	10

For instance 8 points for a project with less than 80% but more than 70% of beds dedicated. Data found in 'Priority Populations' section on page 1 of application. Also, these categories are not mutually exclusive--meaning that a project 100% dedicated to chronically homeless persons who are also veterans would receive 20 points.</p>
