

## **ABC MISSION & VISION STATEMENTS**

### **Mission:**

We are a safe space for ADVOCATES including those with lived experience, community activists and professional experts. We serve to INFORM and EDUCATE those experiencing housing insecurities in Morris County. We help to identify and provide available resources, protect clients' rights, and promote self-advocacy. In representing this population, the ABC shines a light on areas of need in the present system. We are a resource for pathways that lead to Housing Security.

### **Vision:**

To be the perpetual source, voice, and central source where Morris County Homeless clients can access information regarding available services, resources and representation while exercising self-agency that will aid in navigation through the "system" on the road to permanent housing security and self- sufficiency.
