Addenda for RFA #22-01 (IOP & OP Services)

Below are the answers to questions the Morris County Department of Human Services received from July 23, 2021 through August 2, 2021:

- **Q** – If an agency already applied for 2022 Chapter 51 and/or Grant In Aid (GIA) funding for substance use, can they be considered for this additional funding?
- **A** – This request for Intensive Outpatient Services (IOP) and Outpatient Services (OP) for substance use is the same funding stream that was originally advertised from May 28, 2021 through June 28, 2021. This request is seeking additional services for IOP and OP specifically. If an agency applied for 2022 funding an application can be submitted if additional, or expanded, services are being requested.

- **Q** – Is a Dental Center eligible for funding.
- **A** – The request for applications is specific to Intensive Outpatient Services (IOP) and Outpatient Services (OP) for substance use. If those services are provided at the center an application can be submitted.
