

## CHAPTER 51

### 2022 FUNDING FOR HUMAN SERVICES Funding Priorities Summary County Fiscal Year (CFY) 2022 CHAPTER 51 Estimated - \$799,851

**Subgrant Term:** January 1, 2022 – December 31, 2022

**Match Requirements:** None

**Minimum Funding Request:** \$1,000

**Funding Specifications:** The use of Chapter 51 funds is strictly limited to meet the Alcohol, Tobacco and Other Drug treatment needs of those who lack the financial means to access treatment due to lack of insurance or the ability to self-pay. The County of Morris is committed to supporting agencies that offer client-centered, trauma-informed, recovery-oriented care in a stigma free environment.

This public funding may only be billed for a specific unit of service when there is no third-party insurance, Medicare, Medicaid or any other type of reimbursement, in whole or in part, for that service unit.

**Applicants must meet the following criteria:**

- Applicants must be appropriately licensed.
- Applicants must use service output measures and performance standards and maintain the highest standards of quality care, as required.
- Applicants must demonstrate an ability to provide and/or refer individuals to a full continuum of care.
- Agencies wishing to respond to the 2022 Chapter 51 Request for Application (RFA) must indicate what level of the American Society of Addiction Medicine (ASAM) care they provide.

**Target Populations:** Individuals with substance use disorders or at risk of substance misuse, including youth, adults, seniors, men, women, criminal offenders, individuals with disabilities and individuals with co-occurring disorders.

**Funding priorities have been identified through the following:**

- Morris County 2020-2023 Comprehensive Alcoholism and Drug Abuse Plan
- Needs Assessment and focus groups
- Human Services Department program monitoring and community reports
- Ongoing requests for services
- Input from the Mental Health and Addiction Services Advisory Board (MHASAB) and MHASAB Providers
- Based on this information, the Department of Human Services is looking to purchase the following services:

- The Department of Human Services will consider applications that provide services within the full ASAM Continuum, from prevention and early intervention services through treatment services and recovery support.
- Prescribed Rates: The Department of Human Services will pay for substance use services at the rate set by the New Jersey Department of Human Services, DMHAS, as set forth in the SFY 2022-23 Fee for Service Rates Unit Code chart

**Special Consideration will be given to the following service areas:**

1. **Recovery Support Services** – Outreach & case management, relapse prevention, life skills, peer-to-peer services, employment and job training services, etc.
  - **Peer Recovery Specialist** – Credentialed individuals available to respond after Narcan deployment in the hospital emergency room to provide ongoing support and linkage.
  - **Recovery Support Services** available to individuals who are awaiting admission to treatment programs. Engaging individuals as a bridge to treatment services.
2. **Prevention/Early Intervention** – Prevention and Early Intervention programs must be evidence-based. Programs that address the stigma associated with mental illness and substance use, increase awareness and foster recovery. Mental Health First Aid programs for youth, adults and other special populations.
2. **Transportation** - directly provided or linked.
3. **Jail Re-entry Services** – including medication-assisted treatment, outpatient counseling, and case management services.
4. **Outreach and case management**, including wraparound services, to engage individuals with co-occurring disorders and multiple service needs. Integrated services that address multiple needs across systems, using interventions that take into account an individual’s readiness (motivational interviewing).
5. **Narcan Training** – for the community, professionals and those affected by substance use.
6. **Youth related substance use services for ages 17+**

**Based on information collected in 2020 the following gaps were identified:**

- Telehealth
- Resources for family involvement/family services

**Based on information collected in 2020 the following were identified as priorities related to COVID 19:**

- Telehealth and/or in-home services
- Treatment space for social distancing
- Family services

***Applicants must also include a copy of its NJ Division of Mental Health and Addiction Services License, financial screening, sliding fee scale forms and the latest financial audit. The County will not consider requests that do not include this information.***

All 2022 applications will be reviewed by the Morris County Mental Health Addictions Services Advisory Board, to determine 2022 Chapter 51 funding recommendations. Chapter 51 funds will be awarded based upon availability of funds for CY 2022. Should the County receive notification of a reduction in State or Federal funds, 2022 funding may be reduced or terminated. Morris County will not be responsible for replacing or maintaining funding levels in the event that possible reductions occur during the 2022 allocation process.

***The County of Morris reserves the right to renew Subgrant agreements for the period of January 1, 2023 through December 31, 2023, based upon annual program review and the availability of funding.***
