

MORRIS COUNTY AGRICULTURE DEVELOPMENT BOARD

MISSION STATEMENT

The Mission of the Morris County Agriculture Development Board is to:

- | | |
|-----------------|--|
| PRESERVE | agriculturally viable lands through the purchase of development easements. |
| PROVIDE | timely and impartial decisions concerning right-to-farm conflicts. |
| PROMOTE | participation in eight year farmland preservation programs. |
| EDUCATE | citizens and government officials of the important role agriculture plays in the community. |
| PROMOTE | the future viability of agriculture as a profession. |
| INCREASE | public awareness of farmland preservation. |
| ASSIST | municipalities in establishing right-to-farm ordinances consistent with the Morris County Agriculture Development Board's model right-to-farm ordinance. |
| ASSIST | the State Agriculture Development Committee to become the national leader in farmland preservation. |
