**NOTES:**

*This is a list of all of the known sales of farms that have been permanently preserved in Morris County. Farms are listed in order by most recent re-sale date. Please note that the improvements listed under "Residential Opportunities and Improvement Data" may not have been present at the time of re-sale. RDSO means a Residual Dwelling Site Opportunity, per N.J.A.C. 2:76-6.17. "Wetlands Data" shows zero wetlands if the information is unavailable or unknown. The user of this information should NOT assume the farm contains no wetlands even if the acreage total indicates 0.000*
