	<b>Total Recommended Grant</b>	<b>\$3,600,000</b>

# Non-Construction Projects

- Preservation Plans are necessary in order that future preservation work associated with the structures are done in conformance with the *Standards*.
- Construction Documents allow contractor bidding and accurate construction cost estimate. Some applicants will return next year to apply for construction funding.
- We recommend funding One (1) Preservation Plan update, One (1) Register Nomination, and Four (4) Construction Documents to prepare coordinated drawings and specifications.
