Boonton Civil War Memorial

2022 \$4,950 Conditions Assessment

Grant Recipient: Boonton Town

Location: Boonton Town

The monument was constructed in 1876 to honor the local citizens who volunteered to fight for the Union in the Civil War. Known as the Soldier's Monument, the granite obelisk with four brass cannons on the monument base is certified eligible as contributing to the Boonton Main Street Historic District.

The 2022 grant will provide for a Conditions Assessment, including recommendations and cost estimates.
