Montville Township Morris Canal

2014 \$27,520 Condition Assessment

Grant Recipient: Montville Township

Location: Montville Twp.

Completed c. 1830, the Morris Canal was used for transportation and shipping of produce and goods, making it a major contributor to the growth and economic development of the area. The 1.3 mile section between Changebridge Road and Turner Lane is one of longest, undisturbed lengths in Morris County. The Canal is listed on the State and National Registers.

The 2014 grant completed a Conditions Assessment including structural and archaeological review of the above-ground conditions and features, landscape review, and a recommendations plan for the site.
