Craftsman Farms Administration Building

2018 \$355,143 Rehabilitation

Grant Recipient: The Stickley Museum at Craftsman Farms, Inc.

Location: Parsippany-Troy Hills Twp.

The 1911 Administration Building was originally a garage that supported the 650-acre property owned by Gustav Stickley, a leader in the Arts and Crafts movement in the United States. It represents a contributing building to the National Historic Landmark district and the New Jersey Register. The Administration Building was remodeled after a c. 1950 fire.

The 2018 grant will assist with the rehabilitation of the ground floor, including restoration of window, interior plaster, and new steel structure.
