Jonathan's Woods Extension (Curtis)

Submitted By:	Protect our Wetlands, Waters and Woods	Status:	Preserved
Type Of Acquisition:	Fee Simple	Grant Amount:	\$700,000
Location:	Denville Township	Acreage:	13.15

Description:

These two heavily wooded lots are located at the end of Hedwig Avenue, east of Alpine Drive. The properties contain some wetlands and steep slopes, but have sewer service available. Once Protect our Wetlands, Waters and Woods (P.O.W.W.W.) closed on the project in 2011, the lands were transferred to Denville Township as the final owner. The lands facilitate a trail connection to the 600-acre Jonathan's Woods north of Cedar Lake, while the cul-de-sac permits parking and provides trail head access.
