Description:

Mendham Township acquired this property in 2008 with the intent to create a mixed use (active and passive) recreation complex. Formerly owned by the the Sisters of Saint John the Baptist, the property is located south of Mendham Road at the Somerset County border. At the time of purchase, the property contained two existing full size soccer fields, with the potential for additional field development. Today, the Recreation Area at the Mosle Preserve contains a football field, baseball field, and a multi-purpose field. The area has hosted Mendham Township's recreational sports programs for over a decade.
