

# Morris County Preservation Trust Recommended Open Space Projects for 2017

## Rockaway River WMA Addition

<b>Submitted By:</b>	The Trust For Public Land	<b>Status:</b>	Preserved
<b>Type Of Acquisition:</b>	Fee Simple	<b>Grant Amount:</b>	\$565,500
<b>Location:</b>	Jefferson Township	<b>Acreage:</b>	105.97

### Description:

The Trust for Public Land negotiated this acquisition. These forested properties are located east of Route 15, adjacent to municipal and State lands comprising the Rockaway River Wildlife Management Area. Existing trails throughout the property provide opportunities to link to preserved lands located further to the east. The property is managed for passive recreation and wildlife habitat. The lands were transferred to Jefferson Township upon acquisition.
