

Morris County Preservation Trust Recommended Open Space Projects for 2014

Vallevue Farm

Submitted By: Morris Township

Status: Preserved

Type Of Acquisition: Fee Simple

Grant Amount: \$800,000

Location: Morris Township

Acreage: 21.02

Description:

Morris Township acquired this project in 2015. It is located west of Picatinny Road, within the historic and environmentally sensitive Washington Valley region of the County. The acquisition of a portion of the property facilitates the expansion of nearby walking trails to link adjacent neighborhoods to new and existing township and County parks. A portion of the property once used as a Community Supported Agriculture (CSA) group has since been converted into the popular Theodore Largman Community Garden.
