FY2026 Continuum of Care Funding Specifications

The Morris County CoC Executive Committee is now accepting applications from all agencies interested in applying for FY2026 Continuum of Care funding administered by the U.S. Department of Housing and Urban Development. Agencies interested in HUD CoC funding must submit an application for each project which will be reviewed by a local selection committee appointed by the Morris CoC Executive Committee.

The Morris CoC Executive Committee strongly encourages all agencies interested in serving those who have experienced homelessness, including agencies that have not previously received HUD CoC funding, to consider submission of an application. All applications will be evaluated according to the scoring criteria attached.

The Executive Committee strongly suggests all agencies interested in applying read the FY2026 CoC Funding NOFO due to significant changes in the CoC funding:
