

A screenshot of a web editor interface. At the top, a dark modal window titled "Insert accordions or tabs" is open. The modal has a close button (X) in the top right corner. Inside the modal, there is a large white area on the left and a right sidebar. The left area contains a light gray box with the text "No items to display". Above this box is a button labeled "Add Item". The right sidebar contains the following options: "Show as" with a dropdown menu showing "Accordions", "Heading level" with a dropdown menu showing "H2", and a "Cancel" button at the bottom. The background of the editor shows a toolbar with various icons and a sidebar on the left with options like "IMG >", "Width", and "Height".
