Addenda for RFA #27-01

Below are the answers to questions that the Morris County Department of Human Services received from June 22, 2026, through July 9, 2026:

Q – What are the grant ranges?

A – The total estimated amount of funding available for each grant category is listed at the top of its corresponding priorities document. There is no specified limit as to how much funding an agency can request so long as it does not exceed the total amount. There is a minimum requirement specific to each grant category, which is also listed in the priorities document.

Q – Can agencies outside of Morris County apply for funding?

A – Agencies located outside of Morris County are eligible to apply for funding but should note that the services billed for reimbursement must have been provided to Morris County residents. Funding cannot go towards serving residents located in other counties.

Q – For the “municipality” section on the Non-Collusion Affidavit, is the affiant supposed to fill in the municipality where they reside or where the agency is located?

A – The Non-Collusion Affidavit requires the affiant to list the municipality where the agency is located.

Q – How many copies of the application must be submitted?

A – (1) original and (1) hard copy of the application must be submitted. No extra copies or digital versions are required.
