PROJECT BULLETIN 10 OCTOBER 15, 2015 PROJECT IMPLEMENTATION TIMELINE SERIES 2011 UNBUILT SITE EVALUATION

On behalf of the Morris County Improvement Authority (the Authority), Matrix New World Engineering Inc., (Matrix) prepared a Series 2011 Unbuilt Site Project Implementation Schedule to provide the Authority with the information necessary to determine the practical feasibility of completing the Unbuilt Sites before the U.S. Treasury 1603 Grant expiration deadline of January 1, 2017.

Matrix has verified the technical and scheduling requirements for the proposed implementation of the Unbuilt Sites and determined that there remains sufficient time, to reach commercial operation before the aforementioned U.S. Treasury 1603 Grant deadline. Our analysis of the key project milestones is summarized below:

Morris County Improvement Authority												
Series 2011 Unbuilt Sites												
Project Implementation Schedule and Timeline - October 15, 2015
