Hazard Mitigation Plan Update Topics of Discussion

Tetra Tech is supporting Morris County on updating the Hazard Mitigation Plan (HMP).

The municipal kickoff meeting is 9/10 (11am, Morris County EOC, Public Safety Complex: 500 West Hanover Ave, Morristown). This will be a public meeting after the regular Municipal Coordinators meeting.

CRS Activity 510 and how to leverage the HMP to strive to maximize credits.

BAToolSM Program – Online program to access 2015 mitigation actions, update their status and export via Microsoft Excel or Word to support CRS reporting and the HMP update. Refer to side 2 of handout.

Next Steps:

- Determine if your municipality would like to leverage the planning process for CRS points.
- Identify 2 members to participate on the Steering committee, one prime and one alternate.
 - a. Email Keith Heimburg at Morris County OEM with the names of your Steering Committee representatives.
 - b. Attend the 9/4 Steering Committee meeting (10am, EOC, Public Safety Complex: 500 West Hanover Ave, Morristown).
- Identify your municipal planning committee (if desired) with at least 50% non-local government members.
- Create your public engagement plan.
