The Vietnam Wall

After watching the film “The Deer Hunter”, Vietnam vet Jan Scruggs decided that his fellow soldiers needed a symbol of recognition from America for their service and sacrifice.

By 1979, a memorial fund was formed, and in 1980 land in Constitution Gardens was authorized for the memorial placement.

The Wall dedication on November 11, 1982, was accompanied by a 56-hour reading in the Washington National Cathedral of all the engraved names.

The Wall contains the names of 58,318 men and women who died in combat, were Killed in Action (KIA) or are listed as Missing in Action (MIA).

"Comrades forever"

When Vietnam veteran John Devitt attended the 1982 dedication of The Wall in Washington, he felt the positive power of the memorial.

He vowed to share that experience with those who did not have the opportunity to go to Washington. Along with fellow Vietnam veterans Norris Shears, Gerry Haver, and other veteran volunteers, they constructed a half-size replica of the Vietnam Veterans Memorial Wall.

In October of 1984, The Moving Wall went on display for the first time in Tyler, Texas.

Under the auspices of the Randolph V.F.W. Post 7333, Randolph Township, the County College of Morris, the Morris County Board of Commissioners, the office of State Senator Anthony Bucco, and the support of Congresswoman Mikie Sherrill,

“The Moving Wall”

will be displayed at the County College of Morris
