Ministry Center

2026 \$17,080 Construction Documents

Grant Recipient: Church of the Assumption

Location: Morristown Town

The 1872 Ministry Center building is part of the Church of the Assumption property in Morristown, which is contributing to a listed NJ and National Historic Districts. The Stick Style building with a complex roof form was originally constructed as a private residence and was expanded in 1916.

The 2026 grant will complete Construction Documents for exterior rehabilitation including siding, accessible entrance support wall and site retaining wall masonry.
