Agway Property

Submitted by: **Chester Boro.**

Type of Acquisition: ☒ Fee Simple
☐ Conservation Easement

Acres To Be Acquired: **2.11**

Grant Amount: **\$243,500**

Description:

Located off Seminary Avenue, behind the rear of Shop Rite near Route 206, this 2.1-acre property is located adjacent to Grove Street Park. The Borough has a signed agreement of sale with the landowner and envisions this property as a ideal location to extend the park's existing bike path and trails. In addition, the property will provide improved public access to the park by adding a second means of road frontage, and potentially additional parking.
