

**Morris County Preservation Trust  
Recommended Open Space Projects for 2011**

## **BASF- Musconetcong Greenway, Blk301-4**

**Submitted by:** Mount Olive Twp., The Land Conservancy of NJ

**Type of Acquisition:** Acquisition in Fee Simple

**Grant Amount:** \$250,000

**Location:** Mount Olive Twp.

**Acreage:** 56.46

**Description:**

This is a joint application submitted by the municipality and a non-profit. This wooded tract is located between Continental Drive and Route 80, directly adjacent to Allamuchy State Park. The lands will be managed for passive recreation, including potential trail connections to the nearby Highlands Trail and Sussex Branch Trail. The property provides a buffer from the developed office sites to the Musconetcong River.
