

Morris County Preservation Trust Recommended Open Space Projects for 2006

Beaver Brook I

Submitted by: **Rockaway Twp.**

Type of Acquisition: ☒ Fee Simple
☐ Conservation Easement

Acres To Be Acquired: **33.71**

Grant Amount: **\$800,000**

Description:

Located north of Old Beach Glen Road, at the border of Denville Township, this acquisition of 33.7 acres will enable the protection of forested lands bordering Beaver Brook, an important waterway that serves as the headwaters to the Rockaway River. The property provides habitat for a variety of wildlife species. The acquisition would enable a key connection and access to the almost 5,500 acres of Split Rock, Buck Mountain, and Wildcat Ridge Wildlife Management Area.
