

Morris County Preservation Trust Recommended Open Space Projects for 2012

Block 16 Lot 22.01

Submitted by: Washington Twp.

Type of Acquisition: Acquisition in Fee Simple

Grant Amount: \$79,800

Location: Washington Twp.

Acreage: 7.77

Description:

This wooded tract is located directly east of North Four Bridges Road, south of Drakestown Road, adjacent to approximately 23 acres of permanently preserved farmland. The land provides a future connection to the Columbia Trail from the Drakestown Preserve west of the site, owned by NJ Conservation Foundation, and the NJ Fish & Wildlife Service's South Branch Wildlife Management Area to the east. Over the long term, more formal and extensive trails will be developed on the property.
