Submitted by: Mount Olive Twp.

Type of Acquisition: ☒ Fee Simple
☐ Conservation Easement

Acres To Be Acquired: 32.00

Grant Amount: \$900,000

Description:

This 32-acre property is located off Flanders-Netcong Road, to the east of Turkey Brook Park. The Township intends to develop the site into an active recreation complex. The existing conditions of the site render it particularly suitable for such development; the land is level, it has existing infrastructure and forested areas function as a buffer along the northern and eastern borders of the tract. Acquisition will enable the Township to expand recreational opportunities in close proximity to existing residential developments.
