

Morris County Preservation Trust Recommended Open Space Projects for 2011

Central Park

Submitted by: Long Hill Twp.

Type of Acquisition: Acquisition in Fee Simple

Grant Amount: \$2,343,750

Location: Long Hill Twp.

Acreage: 71.38

Description:

This property is located at the northwest intersection of Morristown and Valley Roads. Long Hill plans to maintain nature trails, picnic areas, and walking and bicycle trails throughout the tract. These trails will enable connectivity to existing trails on neighboring preserved lands. In addition, portions of the property will be utilized for active recreational fields. Acquisition would create a link to an existing municipal recreation facility on the opposite side of Valley Road.
