

Morris County Preservation Trust Recommended Open Space Projects for 2010

Fornaro Property

Submitted by: Chatham Twp.

Type of Acquisition: Acquisition in Fee Simple

Grant Amount: \$375,000

Location: Chatham Twp.

Acreage: 5.62

Description:

Located southwest of Southern Boulevard, this long deep property contains extensive wetlands in the rear of the property. The tract is directly adjacent to the Great Swamp National Wildlife Refuge and is within close proximity to the Nash Field Addition project, which was funded with the assistance of a county open space grant. The lands will expand the Township's greenway initiative and may include community gardens in the future.
