Drakestown Preserve Addition - Fricke

Submitted by: NJ Conservation Foundation

Type of Acquisition: Acquisition in Fee Simple

Grant Amount: \$136,000

Location: Washington Twp.

Acreage: 4.75

Description:

Located southeast of Flocktown Road, this property contains both wetland and upland forests at the headwaters of the South Branch Raritan River. It is located adjacent to a remote parcel of the South Branch Headwaters Preserve project, which was funded with the assistance of a county open space grant. Acquisition will build upon preserved lands in the region and promote passive recreational opportunities.
