Jonathan's Woods Extension

Submitted by: Protect our Wetlands, Waters & Woods

Type of Acquisition: Acquisition in Fee Simple

Grant Amount: \$700,000

Description:

These two heavily wooded lots totaling approximately 13 acres are located at the end of Hedwig Avenue, east of Alpine Drive. The properties contain some wetlands and steep slopes, but have sewer service available. The lands will enable an immediate trail connection to the 600-acre Jonathan's Woods north of Cedar Lake once trail easements through two adjoining properties to the northeast are acquired. The cul-de-sac will permit parking and provide trail head access.
