Recommended Open Space Projects for 2006**

## Lucent Open Space Acquisition

**Submitted by:** Chester Boro.

**Type of Acquisition:** ☒ Fee Simple  
☐ Conservation Easement

**Acres To Be Acquired:** 63.90

**Grant Amount:** \$3,000,000

**Description:**

Located at the corner of Mendham Road and North Road, this site is the former Bell Labs/Lucent research facility which includes land in Chester Township and Borough. The Borough will acquire approximately 64 acres on the eastern portion of the site for a combination of recreation and passive open space uses. The acquisition will complement preserved farmland and open space in this region.
