Madison Community Recreation Center

Submitted by: Madison Boro.

Type of Acquisition: Acquisition in Fee Simple

Grant Amount: \$6,000,000

Description:

This 53 acre property is located in Florham Park, and was part of the former Exxon Campus. It is located adjacent to Madison High School. Madison will annex the property, and proposes multiple active recreation fields, plus walking and biking trails. The property is isolated from neighborhoods, making it ideally suited for active recreation. This is the largest grant ever recommended for a project. Madison will bond for much of the purchase price through the County Improvement Authority.
