## Madison Street Community Nature Preserve

Submitted by: **Pequannock Twp.**

Type of Acquisition: ☒ Fee Simple  
☐ Conservation Easement

Acres To Be Acquired: **13.39**

Grant Amount: **\$97,500**

**Description:**

These seven properties totaling 13.4 acres are located east of Newark-Pompton Turnpike, west of Route 23 and the Pompton River, south of MacDonald's Beach near Roosevelt Street. The Township proposes a natural park for passive recreation as well as wetland and forest cover retention. The preservation builds upon preserved Lyman Park located to the south. Together these open space resources will provide neighborhood destinations for nature and recreation.
