

# Morris County Preservation Trust Recommended Open Space Projects for 2007

## McDermott Property

**Submitted by:** Parsippany-Troy Hills Twp.

**Type of Acquisition:** Acquisition in Fee Simple

**Grant Amount:** \$850,000

### Description:

Located north of Route 80, south of Route 46 and east of Baldwin Road, this 3.5-acre site is directly adjacent to Smith Field Park, one of the premier recreation facilities in the township. The acquisition of these three properties offers the township the rare opportunity to purchase additional land adjacent to an existing park, and allows the ability to add additional parking and outdoor recreation facilities at one of its most heavily used and popular parks.
