

**Morris County Preservation Trust  
Recommended Open Space Projects for 2005**

## Mountain Meadows

**Submitted by:** Jefferson Twp.

**Type of Acquisition:** ☒ Fee Simple  
☐ Conservation Easement

**Acres To Be Acquired:** 57.70

**Grant Amount:** \$800,000

**Description:**

Located west of the southbound lanes of Route 15, south of Edison Road and directly east of “The Peaks” development, this 58-acre property is being preserved for passive recreational purposes. The lands are strategically located to connect preserved federal and municipal open space adjacent to the Berkshire Valley Wildlife Management Area to the south, with more county funded preserved open space to the north.
