**Submitted by:** Parsippany-Troy Hills Township

**Type of Acquisition:** Fee Simple

**Grant Amount:** \$772,500

**Location:** Parsippany-Troy Hills Twp.

**Acreage:** 5.93

### Description:

This property is located east of Knoll Road, south of the Knollwood School within a densely populated section of the township. The property was a former tree farm and is one of the few remaining large open space tracts left in the township. The level property is contiguous to preserved open space and located across the street from watershed lands surrounding the Jersey City Reservoir. Preservation would create a greenway of close to 35 acres in the region and protect water quality.
