

Morris County Preservation Trust Recommended Open Space Projects for 2007

Reservoir Road Open Space

Submitted by: Washington Twp.

Type of Acquisition: Acquisition in Fee Simple

Grant Amount: \$780,000

Description:

This project is located at the Mount Olive Township border, south of Drakestown Road, adjacent to Route 46. At 126.6 acres, it is the largest acquisition recommended this funding round. The site contains a tributary to Mine Brook, a Category One-Trout production waterway, and significant stream and wetland corridors that would benefit from protection as passive open space.
