Addition to Schiff Nature Preserve

Submitted by: Schiff Natural Lands Trust, Inc.

Type of Acquisition: ☒ Fee Simple
☐ Conservation Easement

Acres To Be Acquired: 0.50

Grant Amount: \$100,000

Description:

Located on Pleasant Valley Road, west of the Roxiticus Country Club, this ½ acre acquisition allows the Schiff Natural Lands Trust to establish a parking area and trail head to a large and almost inaccessible portion of the 340-acre Schiff Nature Preserve. The property will allow increased passive recreational use of this area and buffer adverse impacts to McVicker's Brook, a nearby Category 1 stream.
