

Morris County Preservation Trust Recommended Open Space Projects for 2009

South Branch Headwaters Preserve (NJCF)

Submitted by: New Jersey Conservation Foundation

Type of Acquisition: Acquisition in Fee Simple

Grant Amount: \$1,864,298

Description:

These eleven properties of approximately 228.1 acres are located south of Drakestown Road, on both sides of Fairview Avenue. The properties comprise part of the former "Purple Horse" farm and are part of the estate of the late Jack Borgenicht. The lands contain large expanses of contiguous forested habitat and would further protect the water quality of the South Branch Raritan River.
