Recommended Open Space Projects for 2009**

## South Salem Street Pedestrian Walking Access

**Submitted by:** Randolph Twp.

**Type of Acquisition:** Acquisition in Fee Simple

**Grant Amount:** \$200,000

**Description:**

This 1.0 acre tract is located on South Salem Street, south of Bennett Avenue, across from the K-Mart Shopping Plaza. The township will rehabilitate the site to provide a linear, tree-lined pedestrian connection from the shopping plaza to a Habitat for Humanity development slated for an old commercial site on Bennett Avenue. The property would function as a 'pocket park' for local residents within an area largely void of public open space.
