Tucker Avenue Project

Submitted by: Randolph Twp.

Type of Acquisition: Acquisition in Fee Simple

Grant Amount: \$550,000

Description:

These seven properties totaling 20-acres are located north of Calais Road off Sussex Turnpike, directly south of Brundage Park. The site builds upon preserved lands in this region, and contains an existing paper street that is currently utilized as part of the township trails system. The township will utilize this partially wooded property for passive recreation as it relates to its trails system, and may create some level of active recreation if the necessity arises at some point in the future.
