

Morris County Preservation Trust Recommended Open Space Projects for 2019

ValleVue Farm Preserve Acquisition - Phase 2

Submitted by: Morris Township

Type of Acquisition: Both Fee Simple and Less Than Fee Simple

Grant Amount: \$684,900

Location: Morris

Acreage: 7.94

Description:

This is phase two of the plan to acquire ValleVue Farm. The properties will be used for passive recreation with connector trails and scenic viewpoints. The trails will connect to the existing trail network constructed under phase one, which leads to other Township-owned properties including a thriving community garden, and to Lewis Morris County Park further to the west. The acquisition would protect the integrity of the historic and environmentally sensitive Washington Valley region.
