2023

CAPITAL BUDGET AND CAPITAL IMPROVEMENT PROGRAM

This section is included with the Annual Budget pursuant to N.J.A.C. 5:30-4. It does not in itself confer any authorization to raise or expend funds. Rather it is a document used as part of the local unit's planning and management program. Specific authorization to expend funds for purposes described in this section must be granted elsewhere, by a separate bond ordinance, by inclusion of a line item in the Capital Improvement Section of this budget, by an ordinance taking the money from the Capital Improvement Fund, or other lawful means.

CAPITAL BUDGET

- A plan for all capital expenditures for the current fiscal year.

If no Capital Budget is included, check the reason why:

- Total capital expenditures this year do not exceed \$25,000, including appropriations for Capital Improvement Fund, Capital Line items and Down Payments on Improvements.
- No bond ordinances are planned this year.

CAPITAL IMPROVEMENT PROGRAM

- A multi-year list of planned capital projects, including the current year.

Check appropriate box for number of years covered, including current year:

- 3 years. (Population under 10,000)
- 6 years. (Over 10,000 and all county governments)
- years exceeding minimum time period.
- Check if county is under 10,000, has not expended more than \$25,000 annually for capital purposes in immediately previous three years, and is not adopting CIP.

COUNTY OF MORRIS
NARRATIVE FOR CAPITAL IMPROVEMENT PROGRAM

The gross debt of the County as of December 31, 2022 is \$393,335,962.63, while the net debt is \$253,387,954.63, which is well under the statutory debt limit of \$2,026,004,792. The County debt percentage to such ratables has historically stayed well below 1%. The statutory debt limit is 2%. This has helped the County maintain its Triple A Bond Ratings with Moody's and Standard & Poors.

The publishing of the six-year tentative Capital Budget Plans, attached herewith to the regular County budget, is a continuing requirement of the Local Finance Board of the State. While 2023 plans are tied into the budget, actual bonding will not occur until after partial or full completion of the projects. At that point, only actual costs, less State or Federal Aid received, would be bonded. At this time, Road and Bridge Grants-In-Aid cannot be completely determined or finalized.

The six-year tentative Capital Budget reflects the continuation of an ongoing Capital Program. The continuation of this program should result in additional modern facilities built and bonded under the most favorable of conditions.
