# 2018 CAPITAL BUDGET AND CAPITAL IMPROVEMENT PROGRAM

funds. Rather it is a document used described in this section must be gra	th the Annual Budget pursuant to N.J.A.C. 5:30-4. It does not in itself confer any authorization to raise or expend as part of the local unit's planning and management program. Specific authorization to expend funds for purposes anted elsewhere, by a separate bond ordinance, by inclusion of a line in the Capital Improvement Section of this noney from the Capital Improvement Fund, or other lawful means.

<u>CAPITAL IMPROVEMENT PLAN</u>	<ul> <li>A multi-year list of planned capital projects, including the current year. # NARRATIVE FOR CAPITAL IMPROVEMENT PLAN

The gross debt of the County as of December 31, 2017 is \$378,784,520.76, while the net debt is \$217,187,520.76, which is well under the statutory debt limit of \$1,851,229,225. The County debt percentage to such ratables has historically stayed well below 1%. The statutory debt limit is 2%. This has helped the County maintain its Triple A Bond Ratings with Moody's and Standard & Poors.

The publishing of the six-year tentative Capital Budget Plans, attached herewith to the regular County budget, is a continuing requirement of the Local Finance Board of the State. While 2018 plans are tied into the budget, actual bonding will not occur until after partial or full completion of the projects. At that point, only actual costs, less State or Federal Aid received, would be bonded. At this time, Road and Bridge Grants-In-Aid cannot be completely determined or finalized.

The six-year tentative Capital Budget reflects the continuation of an ongoing Capital Program. The continuation of this program should result in additional modern facilities built and bonded under the most favorable of conditions.
