**“The Last Rose of Summer”**

**Music: Traditional Irish Ballad**

**Lyrics: Thomas Moore (1805)**

**'Tis the last rose of summer,  
Left blooming alone;  
All her lovely companions  
Are faded and gone;  
No flower of her kindred,  
No rose-bud is nigh,  
To reflect back her blushes  
Or give sigh for sigh!**

**So soon may I follow,  
When friendships decay,  
And from love's shining circle  
The gems drop away!  
When true hearts lie withered,  
And fond ones are flown,  
Oh! who would inhabit  
This bleak world alone?**
