Bids are being solicited through a fair and open process in accordance with N.J.S.A. 19:44A-20. 7, and as such, contractors are exempt from the limitations on making political contributions under that law. Further, for that reason, as well as because of a language in the New Jersey's Annual Appropriations Act, refusal to disclose campaign contributions otherwise required by N.J.S.A. 19:44A-20.2 et seq. and N.J.S.A. 19:44A-20.25 et seq., will not adversely affect Bidder's consideration for award.

The Contractor shall maintain all documentation related to products, transactions, or services under this contract for a period of five years from the date of final payment, per N.J.A.C. 17:44-2.2. Such records shall be made available to the New Jersey Office of the State Comptroller upon request.
